ROCKLAND HONORS DEAD

Memorial Day Services Carried Out In Detail
—Dr. Wilson the Orator

The Memorial Day observance in this city Tuesday was under ideal weather conditions, the rainy morn- ing having given way to sunny skies when the parade and exercises were held.

This year for the first time in Seavey. The launch from which this duty was performed was in charge of Arthur Post.

At Ralph Umer Park the Spanish War Veterans conducted their annual exercises. Many noted the absence of the flag pole, which was broken the previous day while being equipped with halyards.

The exercises on the Grand Army premises were presided over by Albert W. Thomas of Anderson Camp, S.U.V., who annually assumes charge of that phase of the Memorial Day observance in an efficient and dignified manner.

Prayer was impressively offered by Rev. Herman R. Winchenbaugh, who also read Gen. Logan's orders estab- lishing Memorial Day. Lincoln's Gettysburg address was read with fine expression by Roger Conant. Other well performed features of the program included the reading of "Flanders Fields" by Miss Feline Perry, and two cornet solos by Dud- ley Harvey.

The necrology reports showed no deaths in the Grand Army Post or Sons of Union Veterans' Camp, but American Legion mourned the loss of five comrades whose names were read by Post Commander Austin P. Brewer. The necrology follows:

Horace E. Lamb, Navy, died Aug. 17, 1938.

Alton LaChance, Army, died Dec. 28, 1938.

Charles Cavanaugh, Army, died Jan. 15, 1939.

Harold C. Brazier, Army, died March 23, 1939.

Joseph Lablanche, Army, died May 15, 1939.

Col. I. Leslie Cross, spokesman for the Grand Army, made reference to Peter Brock.

The Memorial Day speaker was Rev. Guy Wilson, D. D., pastor of Pratt Memorial M. E. Church, whose address was an eloquent appraisal of phases contained in Lincoln's Gettysburg Address, presented under the triple caption of "Hallowed Ground," "Increased Devotion," and "Unfinished Work."

Dr. Wilson's address will appear in full in the Saturday issue of this newspaper necessarily deferred be- cause of crowded advertising columns.

Rev. Dr. Guy Wilson, Rockland's Memorial Day orator, drew ap- propriate lessons from phrases used by Lincoln.

Rockland's history there was no Civil War veteran to participate in the sacred observance originally in- tended for the survivors of that war.

Peter Brock who rode in the pro- cession a year ago, is the only Rockland Civil War veteran now living, and he is a helpless invalid in the Vet- erans' Hospital in Togus.

The parade, which was made up as usual of patriotic organizations, Battery E., C.A.C.; Boy and Girl Scouts, and Fire Department, was under the direction of Col. Ralph W. Brown, who has so ably handled many such occasions. Escort duty was performed by the Rockland City Band—a fine organization behind which any order would be proud to march. The first stop was made opposite the Elks Home where flowers were strewn upon the waters by Ada Smith, Alice Barton, Frances Hatch, Ruth Hatch and Martha

Rockland Lions

Division Manager Stone's
Motion Pictures Tell Two
Interesting Stories

Two reels of motion pictures, dis- tributed through the courtesy of Dis- trict Manager Thomas C. Stone of the telephone company, provided the entertainment at yesterday's meeting of the Lions Club. One reel dealt with the laying of sub- marine cable—a matter of local interest in view of the fact that work in this direction was done in Penobscot Bay only three years ago. The extreme precautions taken in the way of insulation and making the cables absolutely water- proof was a revelation to those who saw the pictures.

The second reel was entitled "The Hurricane's Challenge" and related of course to last fall's catastrophe in New England—terribly described as the largest single disaster that has ever befallen the Bell people.

The tropical hurricane is of course, an old story but none of those present had ever seen more graphic pictures, given in this in- stance with special reference to the tremendous task which con- fronted the telephone company. How crews and materials were quickly assembled, and the business- like way in which men from many States operated to restore telephone communication was something to be marveled at.

The story was told in the in- comparable manner of Edwin C. Hill.

Bradford Burgess, a Lion daddy was given a fine hand.

One hundred percent Lions pins were awarded to a number of the members.

Its First Annual

Medomak Region Garden
Clubs Re-elect Mrs. Or-
beton As Director

The first annual meeting of the Medomak region of The Garden Club Federation of Maine was held in the First Parish Church, Belfast May 24.

Mrs. E. Stewart Orbeton, regional director presided, and the assembly was graciously welcomed by Mrs. Clyde B. Holmes, president of the Belfast Garden Club. Regional de- partment reports were given by the several chairmen, Mrs. Harrie B. Coe, Portland, president of the State Federation announced that Mrs. Fred S. Woods, past president of The Garden Club Federation of Maine had been elected New Eng- land Regional vice president of The National Council of State Garden Clubs. Mrs. Coe also said that a life membership in the National Council has been awarded to Mrs. A. R. Benedict of Medomak, in recog- nition of the valuable assistance she had given in raising the stand- ard of the Maine Flower Shows and for her advice in flower arrange- ment.

The delegates voted to plant lilacs on the grounds of "Montpelier," in Thomaston. Mrs. Maine Hills of Belfast is chairman of this project.

Mrs. Coe outlined the plans for the annual meeting of The Garden Club Federation of Maine to be held at Whitehall Inn, Camden, Tuesday, and Wednesday, June 27-28. Other speakers were Mrs. W. R. Pattan- gall of Augusta, Federation chair- man of Legislation, Mrs. Thorne Jackson of Readfield, Garden Cen- ters; Mrs. Clarence S. Beverage, Augusta, Senior Nature Work and Mrs. Gerald C. Welch of Augusta, Publicity chairman.

Mrs. E. Stewart Orbeton of West Rockport was re-elected regional director—other officers named were: Miss Beattie Bowers, Camden, secretary, and Mrs. Richard O. El- liot, Thomaston, treasurer. Mrs. Joseph Dondis, Rockland was chairman of the nominating com- mittee. It was greatly regretted that Mrs. J. Albert Jameson of Rockland, who had so ably served as secretary was unable to continue.

The afternoon speaker was Lin- coln R. Colcord of Searsport, author and founder of the Searsport Mu- seum. He spoke of the flora of the islands off the coast of Maine and the opportunity which they offered for study. The machine age, he said is hindering the study of na- ture to a considerable extent and he declared people must get back to nature in order to understand the philosophy of life.

Is General Manager

One hundred and fifteen feet of minute equipment is installed. A concentrated service is offered in the huge new gleaming white super station which makes its public debut today under sponsorship of Waldoboro Garage Co. and Socony Vacuum Oil Co. at the corner of Park and Union streets, Rockland. Every effort has been made to

Manager Fred L. Linekin's office comes next and it is here the activi- ties of the big plant will center. Bookkeeping, records, filing, etc., will be made there. A private office adjoins. Adjacent are two roomy

titled rest rooms with hot and cold water.

The central section of the plant is devoted to a huge display room, the entire front of which is plate glass. Walls in pastel tints and powerful, scientifically planned lighting effects, will show Ford and Mercury models to best possible advantage.

The western section of the build- ing is devoted to a well equipped repair shop in charge of Neelo Lofman of West Rockport who has had long experience in automotive repairing. Included in the equip- ment is one of the famous Ford Electrical Analyzers. A large stock room guarantees prompt parts serv- ice to all Ford owners.

Adorning the front facade is a huge replica of Socony's famous red horse and in front of the station stands a battery of Socony gasoline pumps and dispensers for Mobiloil. The station will be open.

have this great plant the ultimate in public convenience. It sets far back from the road thus improving traffic conditions at the busy inter- section. To still further improve visibility and give additional park- ing space the wooden structure originally built for the Consolidated Baking Company was razed and the lot brought up to grade.

The huge station itself is of the modern single story type of wood construction with wide clapboard exterior in colonial white. The Park street frontage is almost en- tirely of glass to display the Ford and Mercury automobiles of which Waldoboro Garage Co. is distribu- tor, and to advertise the manifold activities of the plant.

At the Union street end is a large parking space, air meters and an outdoor grease lift. The eastern section of the building is a modern lubricatorium where Socony's famous Mobilubrication system is used. A waterproofed pit and up-to-the-

PROVED TO BE SUICIDE

Kenneth C. Robinson, Taxi Man, the Victim—
"Good Bye" Note Ends Investigation

A tragedy which for a time "looked suspicious" to the investi- gating officers, but which event- ually proved to be a clear case of self-destruction, occurred early yester- day morning in front of the resi- dence of John A. Robinson at 11 Union, street, the victim being their son, Kenneth Robinson, 30, a local taxi driver.

Robinson attended a party during the night, and was found about 230 a. m. sitting beside the driver's seat of his car, his head and face stained with blood, and a revolver lying in his lap.

The discovery was made by his brother-in-law, Eben Kenney, who found Robinson still alive and mut- tering incoherently. Fearful that he might revive sufficiently to make another attempt, Kenney took the weapon from the car and hid it be- neath the doorstep. He then drove the taxi, with its wounded owner, to the police station, and briefly told the story, believing for the moment that Robinson had suffered only a scalp wound.

Patrolmen Sukeforth and Phil- brook took the man to Knox Hos- pital and notified Sheriff C. Earle Ludwick who began his investiga- tion with characteristic thorough- ness. The patrolmen gave all as- sistance possible, and into the in- quiry were thrown the efforts of the State Highway Police and other members of the sheriff's department. Among those arriving early on the scene was Lieut. Leon P. Shephard of the Bureau of Investigation, which was also represented by Ar- thur Freeman, State Patrolman H. G. Roper gave able assistance to the Sheriff's department.

Robinson died shortly before 8 o'clock and arrangements for an autopsy were immediately made by Medical Examiner H. J. Weisman. The autopsy was held at the Burpee Funeral Parlors in the afternoon, the medical examiner being assisted by State pathologist, Dr. Julius Gottlieb of Lewiston.

The revolver used in the shooting, a 32-calibre weapon, was identified as Robinson's property, death be- ing caused by a single contact shot through the right temple accord-

ing to the verdict of Medical Ex- aminer Weisman.

An important bit of evidence which resulted in the discarding of a foul play theory, was the dis- covery of a brief note on the shelf behind the windshield of the taxi. It came unmistakably from a note- book found in one of the victim's inside pockets and the writing was established as his.

Sheriff Ludwick pointed out these facts to the members of the press but declined to make public the exact text of the note. One portion of it related to his 5-year-old son and was an appeal for him to "be a good boy."

The Robinsons formerly resided in Cushing and Thomaston. Ken- neth is survived by his wife, from whom he had been estranged for some time; a daughter, Betty Lou; a son Kenneth, Jr.; and five sisters, Mrs. Gladys Thompson, Miss Eliza Bicknell and Mrs. Eben Kenney of Rockland, and Mrs. Maurice Brazier and Mrs. Harry Gillis of Thomaston. The funeral services will be held at Robinson's late residence at 2 o'clock Friday afternoon.

THAT BIRTHDAY PARTY

Over 500 happy persons partici- pated in the annual birthday party of Perry's Park street market Sat- urday night enjoying ice cream and the generous hospitality of the huge store and its joyous staff. Among the prize winners were: ton of coal Mrs. Nina Marshall; \$5 grocery orders, Lena Hodgdon and Leo Brault; manicure sets, Mrs. Lord; hams, Mrs. Perley Miller and Mr. Haskell; tin spiced ham, Mrs. Kate Oliver; subscriptions to The Courier-Gazette, Edward Cross, Mrs. Exie Perry and Mr. Macomber.

IS STILL WINNING

Rockland blasted through to its seventh victory Wednesday when it triumphed over the Waterville team 4-2. Due to the excellent coaching of Teddy Benner the team is hang- ing up a record that Rockland can well be proud of. Summary: K. Benner (R) defeated Reed Lott (W) 4-2; W. Sturdivant (W) defeated W. Cummings (R) 2 up. Best ball

won by Waterville, 1 up. P. Horey- seck (R), defeated Cote (W) 3-2; C. Kallach (R) defeated Ryan (W) 8-7. Best ball won by Rockland, 5-4.

"The Black Cat"

By The Roving Reporter

It's almost a safe bet that Editor Robbins of the Deer Isle Messenger played in a brass band sometime during his career—and that maybe he does now. Every issue of his paper features band articles, and in the current number three of them are front paged. But the editor and the town have every reason to feel proud of their High School band which made such a sensation at the Worcester Festival.

When The Black Cat told how the Northend Rangers beat the Southend Cubs 45 to 8 the other day it sounded as if somebody was spoofing. But one of my good Warren friends, Herb Thomas, comes to the rescue with the state- ment that away back in 1910 Warren beat Waldoboro 48 to 0 in three innings. The game was stopped, not because of cruelty to Waldoboro, but because the supply of baseballs gave out when Harlow Brown parked a home run in a swamp.

"Billy" Robinson, recuperating from a serious operation in Port- land, visited the old home town last Saturday, and was given such a re- ception as the King and Queen have been receiving in Canada. A good old Scout is Bill; they don't make 'em any better.

The desire to wear a uniform of some sort begins early in life. Memorial Day I saw a youngster arrayed in dazzling cowboy regalia. In one hand he carried a revolver, and in the other—which proves that he was not altogether a tough guy—he carried an ice cream cone which was absorbing most of his attention.

To his already remarkable collection of steamboat pictures John M. Richardson of The Courier-Gazette staff, has added a fine picture of the steamer Mayflower which ran on the Rockland-Vinalhaven route prior to more than half a century ago. The photo was taken at Vinal- haven, the background showing the old Atlantic House, which was burned in 1886. If you have any pictures or any other matters of interest connected with Penobscot Bay steamboating my friend John will be delighted to receive them. Such matters should be preserved, and Mr. Richardson is doing a fine job at it.

Oblivion has already swallowed many daring armmen who have un- dertaken trans-Atlantic crossings, but there will probably be no cea- sation of attempts. Think how many lives were lost before Robert E. Peary made the conquest of the North Pole.

Where do all the cars come from? That was the question asked many times on the afternoon of Memorial Day. The traffic cops certainly had a man's sized job on their hands keeping the streets open for the parade.

A certain degree of local signifi- cance and interest attached to the cinema showing of "Mr. and Mrs. Vernon Castle" at Strand Theatre this week, inasmuch as Rev. Corwin H. Olds, pastor of the Congrega- tional Church was at one time affiliated with the same military outfit as Vernon Castle—the Royal Air Force. His uniform and insignia were almost identical with those worn by Castle and like that famous person, he too was stationed at Camp Mohawk in New York.

One year ago: C. C. Hughes, Jr., a deputy sheriff in Nevada County, California was a visitor in the city. —Oraham M. Hills, 24, died in Brunswick from the result of an automobile accident.—Eleven Rotarians attended the Quebec con- ference.—Tenants of the Woolworth block, about to be remodeled, were moving to other quarters.—Union High School won the pennant in the Tri-County League.—The Vinal- haven Chiefs started their baseball season at Vinalhaven by beating Lisbon Falls 5 to 4.

LOOKS LIKE GOOD SECOND

Thomaston 7, Rockland 6
(Eleven Innings)

What looked to be "easy pickings" for the Thomaston High School team, Monday, developed in the ninth inning into one of the most sensational finishes that has ever been seen on the present ball field. Trailing far astern when that inning opened the Orange and Black warriors from the Shore Village suddenly snapped into life. With one down Small poled out a nice single, and his example was speedily followed by Kent Oover. With the stage thus set, Billings, who had gone through eight in-

nings hitless, spanked the old apple square on the nose. The ball sailed far afield and while Simpson and Overlock were in pursuit two Rockland baserunners had crossed the plate and Billings had arrived at third. The tying run went across the plate on Cates' single—the fourth successive hit to be made by Rockland.

It was a jubilant crowd on the Rockland bench about this time, but Harold Sawyer settled down to business, and threw out the next two batters at first base.

In Thomaston's half of the ninth Orne led off with a single, but

Thomaston's joy was short lived, for Overlock grounded to Cates, and Orne was forced at second. Miller was out. Billings to Chaples, and C. Simpson fled to Small.

And this was the situation when Rockland went to bat in the 10th—six-all.

The high hopes which Rockland may have entertained were quickly smothered as far as this inning was concerned for Sawyer fanned McConchie, Winchenbaugh and Chaples in succession.

Staples, pinch hitting for Grover in Thomaston's half of the 10th laid down a nice single, and joy reigned on the Thomaston bench when Chisholm passed L. Simpson for the fourth time in the game.

And then it happened!

Stewart drove out a liner which was earmarked for a double, and the frenzied Thomaston fans thought the contest was all over. But out of nowhere jumped one Mister Billings—jumping so high that it looked like the take-off of a trans-Atlantic airplane, and when he made his three-point landing the ball was firmly embedded in his mitt. He shot the ball to Cates, doubling Staples at second, and Cates threw to Chaples in time to catch L. Simpson at first. It was one of those rare birds known as a triple play, accomplished so speedily that the home fans were fairly stunned. If the story could have ended in the same vein it would have been a Frank Merriwell yarn outcome.

But although Rockland had three men on bases in the 11th inning nary a score resulted.

In Thomaston's half of the eleventh Dana Sawyer made his third hit of the game and was advanced to third on a pair of errors. The pitching end of the Sawyer duo ended all of the excitement with a double.

Among the feature plays was Miller's foul catch after a long run, and C. Simpson's running fly catch. Billings was Rockland's hero handling nine chances without an error and making the three-bagger which led to that ninth inning tie.

H. Sawyer had the better of his

fine pitching duel with "Bud" Chisholm.

The Rockport team which lost to the Rockland Pirates Memorial Day have something more pleasing to remember. It is the recollection of how they beat the Pirates 6 to 2 in Rockport Sunday.

A meeting for the purpose of organizing a Knox Twilight League will be held in The Courier-Gazette office next Tuesday night at 7.30 p. m.

Pirates 13, Rockport 9

Baseball fans who saw the game at Community Park on Memorial Day got an insight into what may be expected if a Twilight League is formed for the summer months. Many classy plays were seen and many lusty swats with the stick.

The Pirates had a topheavy lead until the last inning, when the "blueberry-pickers" pounced on Freddie LaCrosse's offerings for four runs.

The home team has been decidedly strengthened by the advent of

Miller at third base. This Rockport boy was playing splendid ball for Thomaston last season when laid up by injuries.

Schelm and Starr pounded out triples, while LaCrosse and Welch also made long hits.

FLAG WEEK JUNE 8-14

The National Patriotic Revival which is being conducted under the auspices of the United States Flag Association, will culminate with Flag Week June 8-14 to be appropriately observed throughout the country. Mayor Edward R. Veazie has appointed Austin R. Brewer, commander of Winslow-Holbrook Post, A. L., as general chairman, and in due season there will be an announcement of the program, which will open Sunday, June 11, with Flag Day exercises at the Elks Home.

Mayor Veazie's proclamation follows:

To the Citizens of Rockland, Greeting:

Whereas, in these days of worldwide turmoil, with subversive forces and influences striving to discredit and destroy the ideals and institutions symbolized by our Country's Flag, all loyal Americans should answer this challenge by displaying and paying tribute to that Flag as the emblem of our rights and liberties; and,

Whereas, with this end in view, the period June 8 to 14 has been designated as Flag Week by The United States Flag Association, headed by the President of the United States as Honorary President General, during which time patriotic exercises and other appropriate functions are to be held in towns and cities throughout all the land.

Now, Therefore, as Mayor of Rockland, I do proclaim June 8 to 14 as Flag Week and direct that during this period the Flag of the United States be displayed on all municipal buildings and vehicles. Furthermore, I do invite the people of Rockland to display the Stars and Stripes at their homes, places of business and other suitable locations as well as on their cars, and to hold patriotic exercises, plan Flag parades and do other suitable things as a public expression of our love for our Country, our allegiance to its Glorious Banner and our belief in the institutions of American Democracy.

Edward R. Veazie,
Mayor of Rockland.

County Treasurer I. Lawton Bray has entered upon his new duties in the office of the Rockland Loan & Building Association. He has been treasurer of the Camden Yacht Building Railway the past 13 years, and prior to that, beginning in June 1925, was in the office of the corporation's president, Alan L. Bird.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are nature's chief way of taking the excess acids and waste out of the blood. Most people pass about 2 pints a day or about 3 pounds of waste.

Frequent or scanty passages with smarting and burning shows there may be something wrong with your kidneys or bladder.

An excess of acids or poisons in your blood, when due to functional kidney disorder, may be the cause of nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Don's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Don's Pills.

It was voted last Thursday at a formal hearing to replace the wooden bridge in the village with a steel and concrete structure. Though plans are not complete the proposed new bridge will have a 26-foot drive, with a five-foot walk on both sides. Position will be nearly the same as the present bridge, the extra width put down stream. The bridge will be straightened, the approaches will of necessity be left curved. The western end of the bridge will be widened somewhat to permit parking in the store area on that side. The town's part of the total cost of \$66,000, will be no more than \$7500. The State and county to bear the remainder of the expense.

Graduation exercises will be held tonight at 8 o'clock in the Baptist Church. The graduation ball will be held in Glover hall, dancing from 10 to 1.

Mrs. Donald Perron of Thomaston will speak on Philippine experiences Sunday morning at the Baptist Church. Church school will meet at noon and Christian Endeavor at 6. At the evening service, reports from the United Baptist Convention held recently in Dover-Foxcroft will be heard. Chester Wyllie will be soloist Sunday morning and will sing by request, a hymn in memory of the late Ward Stelson.

"Outcasts" will be the sermon topic Sunday morning at the Congregational Church. Church school will meet at 9:30. There will be no evening services for the remainder of the summer.

The annual baccalaureate sermon was delivered Sunday night at a union service at the Congregational Church by Rev. L. Clark French, who was assisted by Rev. Guy Benner of Rockland, Mass.

The students marched in to the strains of the processional played by Mrs. Dana Smith, their marshal. Lloyd Wellington, member of the junior class, his baton in the class colors, cerise and powder blue. Decorations arranged by the junior class were of flowering wild pear, the only note of color being the motto in the class colors and bearing the words, "Out of the harbor onto the deep," this the handwork of Elizabeth Oxtun, member of the junior class.

Rev. Mr. French in his theme "Age For a Happy Future" advised the graduating class to go on to higher education if possible. One of the greatest factors for future happiness he pointed out, is by service.

Music featured an anthem by the combined choirs in which appeared, Mrs. Chester Wyllie, Chester Wyllie, Mrs. Michael Halligan, Mrs. Lowell Moody, Mrs. Leroy Norwood, Mrs. Harold Drewett, Mrs. Sidney Wyllie, Sidney Wyllie, Mrs. Clark French, Mrs. E. B. Clark, Stuart French, William H. Robinson. A duet was sung by Mrs. Sidney Wyllie and Chester Wyllie.

TALK OF THE TOWN

Friday afternoon in Grand Army hall Ruth Maynew Tent will meet for business. In the evening a beano party will be in progress, with Mrs. Lizzie French as chairman, the proceeds to be used for convention expenses and special funds.

The Rockland Chapter of Hadasah held a charity bridge Wednesday afternoon at the home of Mrs. Ethel Gordon. Prizes were awarded to Mrs. Ida Dondis, Mrs. Rose Poust, Miss Evelyn Segal, Miss Ada Green and Mrs. Ruth Small.

Word was received as this paper went to press of the death of Mrs. Elizabeth Gregory of Glen Cove. Her demise took place at the home of her daughter Mrs. (Dr.) Granville Shibles in Westbrook. Services at the Burpee Funeral Home Sunday at 2 p. m.

The offices of Perry's Main street market have been moved to the second floor of the annex and afford much more commodious and convenient quarters. The mezzanine floor has thus been removed from the main store, presaging important improvements to come.

Rockledge Inn at Spruce Head opens another season next Sunday, and with a fine road all the way its patrons will endeavor to be at the "first table." Under Mrs. Thomas Maker's management the Inn's popularity has increased steadily, aided by the many natural attractions of that locality.

Perry's Market has been awarded the contract for furnishing supplies used by the city's welfare department. Overseer Walker reports that the cost of furnishing dependents in Rockland in April was \$2500. This includes, beside food, clothing, rent fuel, hospitalization, etc.

Spry TRIPLE-CREAMED SHORTENING

and the following brands attractively priced at your grocer's

EVERYBODY LIKES STRAWBERRY SHORTCAKE AND IT'S SO EASY TO MAKE WITH SPRY—Here's MY Recipe!

AUNT JENNY Says

INDIVIDUAL STRAWBERRY SHORTCAKES

So light and tender, made this easy Spry way!

2 cups sifted flour
1/2 teaspoon salt
2 tablespoons sugar
3/4 cup Spry
1/2 cup milk (about)
1 quart fresh strawberries, sliced or crushed and sweetened (a few whole ones reserved for garnish)
1/2 cup heavy cream, whipped

Sift flour with salt, sugar and baking powder. Cut in Spry until mixture is as fine as meal. (So quick and easy, compared to hard, stiff ice-box shortenings.) Add milk, mixing to a soft dough.

Knead lightly about 20 seconds. Roll 3/4-inch thick. Cut with 3-inch biscuit cutter and place on baking sheet greased with Spry. Bake in very hot oven (450° F.) 10 to 12 minutes. Split biscuits, butter each half, and put together with berries. Top with sweetened whipped cream and strawberries. Serves 6. See if you ever tasted such delicate, tender biscuits as these. Your family will love them. And so easy to make the Spry way.

With the Extension Agents

— And The —

Knox-Lincoln Farm Bureau

Agriculture

A circular is available at the Extension Service office, Rockland, on "Horse Sleeping Sickness" published by the State Department of Agriculture and endorsed by the Extension Service. All horse owners should be familiar with the disease and be on the watch for it.

Robert Sprowl, son of Austin Sprowl, of South Bristol, has some very fine early hatched chicks, both R. I. Reds and Barred Rocks. He has taken over the home farm and has remodeled the barn into a three-story poultry house.

The Alna boys' 4-H Club of which Clifton Walker is leader, held a meeting at the Sheepscot Valley Grange last week. County Agent Wentworth showed stereopticon slides on gardening and discussed hot beds and cold frames.

Oscar Wyman, assistant crop specialist from Orono, will be in the district next week assisting County Agent Wentworth in orchard and blueberry work. Calls will be made on men who are carrying demonstrations.

Will Bryant of Damariscotta Mills, reports good results in his pasture with super-phosphate and hen manure. Mr. Bryant is one of the first men in the county to improve his pasture through plowing, seeding down, and top-dressing.

With The Homes

A pre-school children's clinic will be held in Burkettsville at Mrs. Anna Curtis' at 2 p. m. (D.S.T.). The State field nurse, Miss Alice Mooney, a dental hygienist from the State Department of Health, and a local doctor will be present to examine the children and the home demonstration agent will work with the mothers on diet. The committee to help with the clinic follows: Mrs. Carolyn Leigh and Mrs. Edward Grinnell, weighing; Mrs. Lorenzo Linscott, registration; Mrs. Arthur Johnston, secretary; Mrs. Veda Ludwig, care of children; Mrs. Eleanor Curtis, Mrs. Anna Curtis, and Mrs. Willard Ireland, hostesses.

There will be a clinic committee meeting in South Thomaston, June 2 at the Grange hall at 3 p. m., to make plans for the pre-school clinic to be held June 16.

Miss Leone M. Dakin, Extension foods specialist, will be in the district June 6, to make calls with the agent on mothers of pre-school children.

A clinic committee meeting will be held in Bristol, June 7, at 3, at the church vestry to make arrangements for the pre-school clinic to be held June 30.

Leader meetings scheduled this week and next are:

Boothbay, June 2, "Color in the Kitchen," in charge of Mrs. Melie Goodale at the Grange hall. Mrs. Ida Reed and Mrs. Walter Butler are on the dinner committee.

East Union, "Good Grooming," June 6, at the Grange hall, in charge of Mrs. John Gardner, county clothing leader. Mrs. Winona Brown, Mrs. Elizabeth Wentworth, and Mrs. Rosa Cutting are in charge of the square meal for health. Members will make different creams, lo-

charge with the club agent assisting

The clubs of Hope met at the Grange hall May 23, and the club agent was present to conduct judging contests. Mary Herrick had the highest score for the senior girls who judged menus for the school lunch box. The junior girls judged on table setting and the highest score in this contest went to Mable Herrick. Bertram Wentworth was the winner of the junior boys who judged on tomatoes. Mrs. Marjorie Beverage is leader of the senior girls' club; Mrs. Mabel Wright of the junior girls; and Mrs. Bessie Hardy of the junior boys. Mrs. Hardy is also leader of the senior boys' club.

"Snow White and Dwarfs"

The delightful fairy tale "Snow White," which captivated all hearts in childhood, will live again. The tinnest toddlers, the white haired grandparents and all ages in between will experience the greatest joy upon seeing this enchanting folk story set to music in an opera of the same name to be presented by the elementary school children in the Town hall at 8 o'clock Friday.

The music is intrinsically beautiful, containing themes from Goldmark's "Rustic Wedding" and "Gounod's Faust." The three acts include many choruses as well as solos.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 25 cents. Stubbornly refuse anything else.

\$7.50 Electric Kettle to first 1000 Buyers

As though an electric range at \$29.95 wasn't enough inducement!

To the first 1000 buyers we will include a \$7.50 electric kettle absolutely free.

Call or phone and we'll reserve one for you. See the special demonstrations in our store.

It's the greatest offer we have ever made to our customers.

If after purchasing one of these ovens, it's not all we say it is, we'll gladly refund your money.

Imagine this!

A SMALL ELECTRIC "RANGE"

Electric service is the best in the world. We don't believe anyone will dispute that—CLEANER (no soot)—SAFER (no flame for fire hazard)—EASIER—HEALTHIER (no oxygen burned from the air)—and listen—AS CHEAP IF NOT CHEAPER THAN ANY OTHER FUEL!

That's what people can't understand. They think because it is the modern fuel—better, safer, healthier, etc., it must be expensive.

You use electricity for lighting. Does it cost you more than what your grandparents paid for candles and kerosene?

No, Sir!

Yet, electricity used for lighting is mostly on the first step—8 cents a Kwh.

For refrigeration it usually gets down to 5 cents a Kwh.

For cooking, the most of it costs you only 2 cents a Kwh!

And now this low price electric oven—a complete small electric range, if you please, so EVERYONE can prove what present electric range users already know

You Can't Beat Electricity!

This range will do a complete job in a small home—apartment—camp, etc. Broils, bakes, roasts, fries—will take care of a family of from two to six people.

for service daily from 6.30 a. m. to 9.30 p. m. and the telephone number is 475.

The Waldoboro Garage Co. was organized in 1912 with the Ford agency. A few years later John H. Miller became part owner, and upon the death of his partner in 1937, became sole owner. Mr. Miller has seen the company grow from a handful of sales its first season to the present sales volume of over 1,000 units annually, including new and used cars and trucks.

This company now has Ford exclusively in Rockland as well as Waldoboro and has the exclusive Mercury and Lincoln-Zephyr agency in Knox and Lincoln counties. In addition Waldoboro Garage Co. has been Standard Oil Co. distributors, wholesale and retail, for over 20 years in the Waldoboro territory, and operate three stations besides the handsome new super station being christened today.

Waldoboro Garage Co. has always held a friendly trade policy which is one reason for its remarkable success over the past decades. They have been most liberal in trade arrangements and still are, accepting besides all makes of automobiles and trucks, cows, horses, pigs, glass was supplied by the Lewiston Plate & Window Glass Co. that can be re-sold.

ECONOMY! Last January, in the famous 315-mile Gilmore-Yosemite Road Run, an 85 h.p. Ford V-8 gave best gas mileage of all leading low-priced cars, with 24.57 miles per gallon! (Ford-built Mercury 8 also surpassed the low-priced sizes in gas mileage in this run!)

SPEED! In March, in the savagely contested Daytona Beach Race over 150 miles of road and sand, a Ford-built Mercury 8 took first place, averaging 70.34 miles per hour... while Ford-built cars took all the other prize-winning places! A clean sweep for the V-8 engine as built by Ford!

STAMINA! At Buenos Aires in April, 69 cars, including all leading low-priced American makes, started the annual 4515-mile South American Grand Prize Race. 28 cars finished the tough mountain course. Ten of them were Fords, including the winner with an average of 50.6 miles per hour!

No wonder it wins... look what it's got!

ONLY V-8 ENGINE in any low-priced car!
BIGGEST HYDRAULIC BRAKES in any low-priced car!
STEADIEST-RIDING CHASSIS in any low-priced car!
LONGEST RIDE-BASE in any low-priced car!
TOP OVER-ALL ENGINEERING in the low-price field!
